

Product Training 2018

Masonite Architectural will be providing accommodations at the Historic Park Inn in downtown Mason City.

**Historic Park Inn Hotel**

The Historic Park Inn Hotel, together with City National Bank in Mason City, IA, were designed by American architect Frank Lloyd Wright and completed in 1910. The design greatly influenced architecture in Europe and is as striking today as it ever was.

The Historic Park Inn Hotel is the last Wright designed hotel in the world. A complete renovation, including restoration of the distinctive brick and terra-cotta facade as well as art glass windows has restored the Prairie School building to a functional hotel.

October 10-12

Product Training Seminars in Mason City will include a tour of Graham office and manufacturing plant.

Masonite Architectural Graham-Maiman Series Product Training will include a discussion of wood door standards, a complete Graham-Maiman Series product line overview, a summary of programs and services, plus training on the Graham-Maiman Series online pricing and ordering tools. Maximum benefit can be achieved with distributor personnel having six months experience in the wood door industry. Our team of expert instructors will familiarize participants to all aspects of the Graham-Maiman Series providing students a viable working relationship.

**Registration Deadline: September 14, 2018**

**Transportation**

This seminar will be held at 1502 12th Street NW at the Graham / ASSA Abloy facilities in Mason City, Iowa.

**NEW:**

**Attendees will need to provide their own transportation to and from Mason City.**

Hotel accommodations will still be provided by Masonite Architectural during your stay in Mason City.

Additional details will be outlined in a confirmation letter after registration and acceptance into the seminar.

Please do not make any reservations until you receive your confirmation letter from **Masonite Architectural.**
